About Nuix

Nuix Limited is a leading provider of investigative analytics and intelligence software, with the vision of “finding truth in a digital world”. Nuix helps customers to process, normalise, index, enrich and analyse data from a multitude of different sources, solving many of their complex data challenges. The Nuix platform supports a range of use cases, including criminal investigations, financial crime, litigation support, employee and insider investigations, legal eDiscovery, data protection and privacy, and data governance and regulatory compliance.
