www.legaltechinnovations.com	
<p><u>Company Description</u></p> <p>LTI specialises in helping customers solve their Digital Evidence and eDiscovery data challenges. When data is needed to answer legal questions arising from regulatory investigations, disputes, or other business challenges, LTI deploys the best experts and technology so our customers can make informed decisions.</p>	
<p><u>Vendor Offerings</u></p> <p>LTI offer customers one-off project solutions, which are great for lawyers with the occasional digital forensic/eDiscovery need. Data can be hosted in our UK (or EU) review platforms for as little as 1 month (PAY AS YOU GO). Customers with a continuous flow of mandates can benefit from volume-based discounts.</p> <p>Customers who own/host their data benefit from LTI’s extensive knowledge of eDiscovery software, and experience in administrating and maintaining eDiscovery environments. We partner with a number of customers and provide them with in-house burst support capacity.</p> <p>Typically Mandates Supported:</p> <ul style="list-style-type: none"> • Data Collection and Preservation • eDiscovery for Litigation or Investigations • Data Subject Access Request (DSAR) • Employee Exit Lever Strategy • MeToo Incidence Response • Proactive Compliance Monitoring Technology and Consulting • Data Remediation
