About ComplexDiscovery

ComplexDiscovery is an online publication that highlights cyber, data, and legal discovery insight and intelligence ranging from original research to aggregated news for use by cybersecurity, information governance, and eDiscovery professionals. The highly targeted publication seeks to increase the collective understanding of readers regarding cyber, data, and legal discovery information and issues and to provide an objective resource for considering trends, technologies, and services related to electronically preserving, collecting, processing, reviewing, and producing electronically stored information.

ComplexDiscovery OÜ is a technology marketing firm providing strategic planning and tactical execution expertise in support of cyber, data, and legal discovery organizations. Registered as a private limited company in the European Union (Estonia), one of the most digitally advanced countries in the world, ComplexDiscovery OÜ operates virtually worldwide to deliver marketing consulting and services.
