Company Description

Founded in 2010 i-Lit Paralegals Limited provides temporary document review staff to law firms and companies. Uniquely focussed on the document review industry i-Lit Paralegals provides staff throughout the UK and Europe to organisations who need to effectively and efficiently review large quantities of documents.

We are "review platform agnostic" and can provide staff experienced in the sector of your review, in the software you are using and who speak the same languages as the document population.

Our minimum educational requirement is the successful completion of the LPC although we regularly supply teams of fully qualified staff. Our service is focussed on quality and is bespoke on every occasion and as such we are used to delivering the most demanding of client requirements.

We price on either an "hourly" pricing model, a "per document" pricing model which just covers review or a "per document" pricing model that covers project scoping, data processing and document review.
