<u>Company Information</u>	
<p>Founded in 2002, with headquarters in the Washington, DC, metropolitan area, Knovos is a leading solution innovator developing technologies to solve today's legal information management challenges. Knovos has a successful track record of delivering robust, secure, and cost-effective solutions to law firms, corporations, government agencies, and partners around the world — helping organizations manage data, collaborate securely, optimize workflows, and make more informed decisions.</p> <p>Knovos has more than 1,800 enterprise-level clients and 12,000 active users of its products, which cover end-to-end eDiscovery, information governance, legal project management, collaboration, arbitration, and performance management. Backed by unparalleled engineering and domain expertise, each product is highly secure, fast, flexible, and reliable. Knovos' international customer base includes Am Law 100 law firms and Fortune 100 corporations, as well as leading advisories and service providers.</p> <p>In 2019, Knovos' technological innovation helped U.K.-based international law firm Hogan Lovells save approximately \$400,000 and 8,300 hours of review time in a <a href="#">case</a> involving more than 10 million Korean-language documents. Knovos was also named in <a href="#">Gartner's 2019 Market Guide for E-Discovery Solutions</a>.</p> <p>With more than 300 employees across its offices throughout the U.S., EU, and Asia, Knovos is equally committed to the quality of its products and the quality of its support. Knovos' partnership program welcomes technology partners, consulting/advisory partners, and service partners/resellers. Companies of all sizes can benefit from Knovos' flexible pricing model and 360-degree solutions to help gain power over data.</p>
